

Please follow the following instructions:

1. First open the PDF quiz.
2. The read the questions
3. Do not look at the key on the next page.
4. Read each questions carefully before choosing your answer.
5. Write your choice for each question in your notebook or on a sheet of paper.
6. When you have finished answering all the questions, look at KEY and see how many correct answers. If you got less than 8 correct answers, repeat the same quiz. **Good luck!**
